

Starting in February • Full-time

Job posting

With immediate effect, we are looking to fill a vacant position starting February.

Electrician (m/f/d)

Sea-Eye e. V. is a civilian aid organization that was founded in 2015 to no longer stand by idly and watch the deaths in the Mediterranean Sea. With our rescue ship the SEA-EYE 4, we search for people in distress at sea on the world's deadliest migration route, fighting the daily loss of human life at sea. This is because we are convinced:

„Every Life counts!“

If you identify with our work, our goals and our core values, then apply to join us now!

Tasks

- Installing, inspecting, repairing and replacing electrical components and wiring on board the vessel.
- Diagnosing and resolving issues in the vessel's electrical systems.
- Responsible for the repair and maintenance of electrical systems and equipment on board the vessel e.g. pumps and motors, radios, navigation systems and IT systems.
- Order electrical spares and consumables and keep up-to-date inventories. Ensure cleanliness and readiness of tools inside electrician's workshop.
- Create documentation of any known changes or modifications done on onboard electrical equipment and adequate documentation and completion of ongoing ones.
- Ensure that all electrical systems and installations on the vessel comply with relevant maritime regulations and safety standards to maintain a safe working environment.
- Support the chief engineer during any external and internal audit, PSC, class surveys etc.
- Participate in all required trainings and safety drills and support the crew in operational tasks.

YOUR PROFILE

- Experience as an electrician on land, valid Basic Safety Training (STCW A-VI/1), valid Security Awareness (STCW A-VI/6-1), valid Medical Certificate for sea service
OR

- Electro-Technical Rating certificate 750kW or more (STCW-III/7) or Electro Technical Officer (STCW-III/6) and valid Certificate of Security Awareness (STCW A-VI/6-1) and Designated Security Duties (STCW A-VI/6-2) (issued within the last 5 years).
- Good English language skills.
- Flexibility and adaptability to an NGO working environment with volunteers and marine crew.
- Physically fit to work on-board the vessel.

WE OFFER

- A highly interesting and dynamic working environment
- Insight into the work of a sea rescue organization
- Salary: 3100 Euro gross/Month
- Prospect of longer-term employment (2:2)
