We are looking for a

DIRECTOR OF MISSION (DoM) (m/f/d) – Volunteer position

We are a civilian aid organisation founded in 2015 in response to people dying in the Mediterranean Sea. We search for people in distress on the world's deadliest refugee route and fight against the daily loss of life at sea with our rescue boat. We are convinced:

"Every life counts!"

Sea-Eye's office is in Regensburg but as many of our employees live throughout Germany and beyond, we mostly work remotely. Our teamwork takes place digitally and by telephone. The SAROPS (Search And Rescue OperationS) department is responsible for the strategic conceptual design and practical implementation of our rescue operations at sea.

If you identify with our work, our goals and our approach then apply to us now!
