Internship- Onsite Logistics (m/f/d)

We are a civilian aid organization that was founded in 2015 to stop standing idly by and watching people die in the Mediterranean. With our rescue ship, we search for people in distress at sea on the world's deadliest escape route and fight against the daily loss of human life at sea. Because we are convinced:

"Every life matters!"

If you identify with our work, our goals and our values, then apply to us now!

As an intern in Onsite Logistics, you will support the Basecamp Management in Licata (Sicily) in the organization and implementation of all logistical processes on land. The internship offers you the opportunity to gain practical experience in logistics, NGO work and civilian sea rescue and to actively contribute to our missions.
